I have only taken tour bottles of it, and I must say it has done me more good than any other medicine I have ever taken. On my first taking it, it increased the expectoration, and I raised a great deal of bloody matter from my lungs. But that has now ceased, and so has my cough, nearly. I cough but little now, and expect soon to be entirely free from it. I consider it an invaluable medicine, and shall recommend it to all who areas flicted with a cough or diseased lungs. ATLANTA, February 12, 1852.

This is to certify that I have used Dr. C. Williams' "Compound Pulmonie Balsam of Wild Cherry and Wood Naptha," for a disease of the Lungs, with which I have been afflicted for many years, and found more relief from it than any medicine I have ever used-having used a quantity of Wistor's Balsam and other preparations. I found that Dr. Williams' "Pulmonic Balsam" gave memore relief than any other preparation. I have procured this medicine and furnished it to many of my friends, and they nahe-itatingly declare that they have received great and permanent relief from its use, and declare it the best and most effectual renedy for all diseases of the Lungs and Throat. I therefore take pleasure in recommending this very valuable preparation to the afflicted.
